## A TRIBUTE TO NATIONAL EDUCATION SOCIETY ® Celebrating 75 years of its glorious existence

During the Freedom struggle, Mahatma Gandhi, the Father of our Nation stressed the need for quality rural education and development of women education and urged the leaders and youth to help in promoting it. Senior Freedom fighters and public of Shimoga were first to respond to the call of Mahatma. The year 1946 was a defining moment that changed the course of history of education in Malenadu region. That is when National Education Society, NES was established. Now, NES stands as a testimony to the immense sacrifice and service made by the founders towards the steady growth of the education sector and society since its inception. We are proud to be part of this prodigious management. JNNCE Alumni Association ® takes this opportunity to salute NES for its support and guidance for all its activities.
